Dear Mr. Shapiro,

Congratulations on meeting all the requirements necessary to become a recertified member of the National Board of Trial Advocacy! Your certificate will arrive within eight weeks which will identify your membership for a period of five years from the date inscribed. We ask you be sure to keep us abreast of any changes in your address, telephone, facsimile, email and/or website.

Please note the NBLSC website features a free link to members' website and email address. You may choose to add an Enhanced Bio that is just \$100 per year and will need to meet with the ethical requirements of your jurisdiction. You are allowed annual changes to your bio and our newest feature now allows a picture to be placed with your bio.

Also, you are able to add NBTA medallions to your firm's web site and link to the website or download a logo for other use. Please visit our website for all instructions, www.nblsc.us.

Again, our compliments for your excellence demonstrated in your specialty area and thank you for your commitment to attorney board certification!

Sincerely,

Melissa A. Sternbach
